SIR:

I, Ole Jørgen Anfindsen, declare that:

1. I am a citizen of Norway and have a residence and post office address stated below next to my name.

2. I have reviewed and understand the contents of the attached specification, including the amended and unamended claims of the above-identified reissue application, and also including new claims 10-44 concurrently filed herewith.

3. I verily believe myself to be the original, first and sole inventor of the invention described and claimed in U.S. Letters Patent 5,983,225 for a PARAMETERIZED LOCK MANAGEMENT SYSTEM AND METHOD FOR CONDITIONAL CONFLICT SERIALIZABILITY OF TRANSACTIONS granted November 9, 1999 to myself and in the foregoing specification for which invention I solicit a reissue patent including added Claims 10-44.

007660-10100

4. The entire title to said U.S. Letters Patent 5,600,445 is vested in **TELENOR AS**, Oslo, Norway.

9. All errors being corrected in the present reissue application arose without any deceptive intent on my part or on the part of the assignee.

10. I believe that all claims in this application find full support in the original specification.
